A Worr. The largest wolf ever engilit in l'enobscut county may be seen at the store of D ILH & Dan no Main sper He meesured wit. fret from the most be the tip of the mil . We understand he was taken last week on the east branch of the Penolegat by Mr. John Turner. On the night he was taken the camp was visited by wag or soled hit is on the Actangular 4 family of thirteen wolves, the captive bring one of the number. They attacked the pork bound which are suitable the comp, and corned off its conjects. Burnering curouses of deer and that of a careboo were discovered in the woulder deviraged, It is ough - wit, I prese form cious animals... Speaking of wolves, as Sammy Weller would say, reminds us of a bear, weighing about 500 lbs, which was taken at Ogrmel last week, and is now exposed for exhibition at the milet house.

> Br The Boston Post is determined to make it "leetle" colder kere than elec where and there fore states that the thermometer on Saturday at Bangor atood p degrees below zero. A mistake of only ten degrees. There is no better weaths er to be found any where than in this latitude and longitude. Thus far this fall and winter, much solder weather has been experienced went than here. And now, on this first day of Deconduct, the weather is delightfully mild and

PATRIOT MOVEMENTS.

The Buffalo Advertiser of the 22d, says that last night there was a gathering of patriots to the number of 150-or 200 at the foot of Main at. They had a leader whom they called captain: and were intending to go up the lake so far as Detroit, but the wind being so high as to preventury steamboat leaving port, they dispersed. Where they came from no:one could tell. Our informant and most of them appeared to be Canudians They carried no arms."

If . I'the Quebre Herald of the 22d, states that the State prisoners, 23 in number, including Parker, Chandler, Waite und others, embarked that morning, on board the ship Captain Ross. bound for London:

I r Dales from Buenos Ayres lieve been ve eived in New York to the 29th September, and from Monte-Viden, to the 5th October. The state of affairs is about the same-no at last adviea Meinte Video still beld out against the reyolutionary party. The blockade of Buenns Ayres continued, and it was thought it would result in war. The Buchos Ayresns are busy in building fortifications.

PROM TEXAS.

Dates from Texas have been received at New Orleans to the 10th Nov. Congress assembled at Honston on the 5th. The President, General Houston, has been in the habit of delivering his messages to the two Houses verbilly. At the opening of this presion, committees were apointed to inform him that Congress was ready to receive any written communication, which he might have to make. - He returned a brief mersage "saluting the honorable Congress", and porting that if he had not here and right in the mode, he should have presented some important information and suggestions on the offices of the country; as it was, he declined any further communication with Congress than to enclose the Reports of the beach of the Departments.

INDIAN DIFFICULTIES. A resolution passed both Louses on the first day, to appoint a opmunitiee "for the purpose of preparing an address to all the citizens of Texas, them to rush to the reserve of the island-are for the soldiers, and the support of an exof and plants tien knows, are at pedition of 250 men against the h_tile Indians, and authority given to Gen. Baker to make use of any stores, ordinance or munitions of war in the arsenal at Houston.

The following resolution was loffered in both {loo_--a...~

Resolved, That the late intelligence of Indian hostilities from the Indians of the U.S. recentle emigrated to the neighborhood of the N Eastern frontier of this Republic, claims the earliest attention of this house, and that the President be requested to commonicate, a speedily as possible, with the Minister of Texasat the court of the U. States in relation thereto, that the U.S. may he officially apprized of the actual warfare of the Kickappra, Cochatters, Cuddors, Seminoles and Chactawe sgainst this republic.

A passenger with whom we conversed, states that about 400 men were already "in the woods" against the Indiana.

We are san, to learn from the gentleman to whom we have alluded above, that prospects in the young republic were any thing to be become the to her welfare. The very serious inroads of the Indiane in the West, and the unfortunate

That Inclined Therday evening last by It and donger. and an airle runs from one to the oth through gighing that a great parting of our knowledge in facuus excursion, it was not the seed of a the centre, affording an excellent promenade to derived from tentimony, and that the foundation of our belief in testimony is laid deep in our awh natures -that we insunctively place equal Telliance on the evidence of testimony as on that admiration. We give it as it was told to be dead Hayens, Still- ach Boston Abourse the lifest. of our senses or memories, proceeded to lay dinun certain lews and to point out certain coudifferential which the evillence of testinging

> Let The thing firelified to must be presible We may be required to believe a strange thing an unaccountable, and even a preternational thing but not an impossible one

Don't here must be a competent hunder witnesses.

3d. The witnesses must have had the means and capacity of knowing and forming a judgwoul of the subjects should which the , a mile 4th. They must possess an unexception ble

moral churset r. 5th They must be disinterested

6th. The testimony must be given in plain and direct terms. 7th, The testimony of the different witnesse

must agree in all resential particulars 8th, It adds to the value of materimy if the facts are of such a nature-that the witnesses, if

9th. Convincing testimony will not be contradicted but confirmed by other evidence.

10th. The testimony must-be followed up by a corresponding and consistent course of action. The witnesses must live and act as though they believed what they stated.

These propositions were illustrated by familia. but striking examples; and the remark made that testimony which conformed to all or most of these laws is conclusive and incontestable. and that the evidence with regard to facts of an we can be satisfied that the testimony is authentic we have as good evidence that there was such a man as Cicero, wa that there is such a man an Lord Wellington; such a city as Carthage, as such a one as London

The lecturer here applied these principles to the subject of Christianity, so farms the Chris lian system depended on testimony, showing that the evidence in favor of Christianity conforence to all the laws as laid down.

The facts of the Christian system are possible The wither we selficiently hugierous. They possessed the means of knowing the facts about which they testified. They were men of wind in hat she is a trip less material what she is moral characters. Their testimony is given in alread; but what she is the family encle, is plain terme: 11 is concarrent in all essential soints The story, if not true, admitted of a men's opinions. In matrimony, he who selects ready contradiction, either at the fime, or soon afterwards. The facts stated reneived confirmation from various other sources The original honor and love her. Seek to improve her underwitnesses fixed and died as if they believed their standing and her heart. Strive to make her state ກາຂໍ້ຄ່າຍີ່ to be trac.

Conclusion. The evidence from testimony in ever of Christianity is satisfactory and conclusize: and he who rejects it, must, to be consistent, reject all evidence but that of his senses. Brandreth's Pills, concected forth ... From the pure products of the earth;

They own no after and they desire! BEEFDING ALWAYS IMPROPER

"Tarthe life at the Besh is in the about," Levier cas chabiter well, v. 11 When the preparates of BRANDRETH'S VEGETABLE UPIDERSAL PILLS thatt have been appreciated, lifeeding will no loveer he thought of as a femely for ciseases, for any led of and near McMahon', Falls, on Penotiscot Rive violent inflammations, eight or ten of them will be and thing partly folle town of fedding too & partly tance vehicles backge to the connected by the same of the connected by the land hereing the same of the impure humors from the body, by the stomach and connected burset, consisting or the land hereing Ribbons and box els, than therefore to the extent of forty after described together with two blocks of tawardless the backge. parts from the blood which were the rause of inbelonging to said land and mile. and all the dams Super and sent to piers; shires, booms, books, fixtures and all the dams Super and sent to piers; shires, booms, books, fixtures and and mile. Super and sent to piers; shires, booms, books, fixtures and and mile super and sent to piers; shires, booms, books, fixtures and and mile super and sent to piers; shires, booms, books, fixtures and and mile super and sent to piers; shires, booms, books, fixtures and and mile super and sent to piers; shires, booms, books, fixtures and and mile super and sent to piers; shires, booms, books, fixtures and and mile super and sent to piers; shires, booms, books, fixtures and and mile super and sent to piers. the corpored powers after a copious lifeeding! On the contrary, what agility and strength is afice a dose of this medicine; the body is indeed lightened of a land. Nothing to oqual to ridding the vitiated imments with a regetable medicine of fed on he ratio and which a regetable medicine of fed on he ratio and which 84 fents have proved never to do and connected parcel of land which lies in the city injury, but always good. Is the pulse too high? of Bangor, is described as follows, v.z.; Reginning A dose of these Pills will bring at down; I at too at a stake and some on the western share of Penob-A dose of these Pills will bring at down; Inst too, at a section some or an analysis of a point about seven low? the same means will increase it to a proper sectiver; in said Banger, at a point about seven the Till A section and the seven section of the method of the section ment? the Pills by soothing the system will allay it. | north about 62 degrees west about 42 rods to a stake

Thousands of the most respectable ritizens of the and stones on the line of the town road leading from United States will be referred to with pleasure by the Thempson from seconded with new part of the Ite B whethere for many years been in the habit county road leading from Ranger to Orone; thence of being bled as often as lour times in a year; and north finegrees west on the line of said town read whose constitutious in consequence, were becoming weaker and weaker, but who, since they have made use of these Pills, have never lost a drop of their precious blood. When any of their He symptoms appeared, instead of running to a Doctor and having a vein opened, they have swottowed six or cight thence flords 30 degrees never crossing saidness peritrible, which soon removed the vitlated humors that of the county road about thirty-three rods to the old 'ills, which soon removed the vitiated humors that ! were impeding the blood in its circulation. Those rensitate people simply by the uso of these invaluable Pills, are increasing every day the powers both of body and mind, which, by the practice of bleeding,

were both becoming dreadfully impaired. The following cases of cure by the use of Brand reth's Pills, alone, are submitted with respect, to the unprejudiced portion of the Boston public +

ASTIMA CURED. The following extraordinary case of Asthma, which is authenticated by seventeen respectable and well known inhabitants of Gregowich, Ct., deserves, by all persons, a careful peruset. The most prejudieed must own that evidence is on the side of these Pills, which, by the Eures they are daily making show there is no necessity for any other medicine.

This is to certify that Thomas S. Brown of Greenwich, Cr., was taken with a cold, numb feeling, on the 13th of fune last. He began to cough and raise phlegm and in the course of twenty four perforated. Three physicians in Stamford, Green wich, and Sawpits, prenounced it a nervous humid spasmodic Asthma, and after prescribing for some time-to no effect, the Three consulted together, and the bound in said Nichuls line hegun at said land finally declared that they could do him no good; it in Eddington comprising all the land conveyed to Plain and figured Swiss would and must result in consumption, and death said Company by Deed of Nathaniel McDiahon and Mustine would ensue, and that in a very short time. The others, recorded in Remoberat Registry of Deeds, pain was excessive in all parts of his body, and thedifficulty in breathing was such as almost to rause strangulation. He was reduced to a niere skeleton. and finally gave himself up to death. After being in this miserable state nearly two months, he saw an advertisement of Dr. Brandreth's Vegetable Universat Pills, and immediately sent-by Capt. J. War-that being the day on-which, the above described ting of Greenwich, for a box, and found-relief in the property was attached on the original writ in course of a tew days, which encouraged him to per- case. The above advertised land, mills, build severe, and now having taken them for about four months according to the direction, is entirely recovered, and safan as we can judge, in couse quence of taking the above Pills, which we have also used in our families, and have found them in-

Greenwich, 22d Feb. 1826. Signed. James R. Mens. Daniel S. Betts, John H. Reynold, A. Palmer, Rev. R. Palmer, J. R. Palmer S. Jessup, James Moore, Hannah H. Brewsley. Hitchcock . I Mean, Thos Bertram, Isaac Olmstead, P. V P. Jessep, Stephen Wating, John Limbay ... Certificate of John Goulden, who has known the

above pills forty years:

I hereby certify that I have known Brandreth's Vegetable Universal Pill for upwards of forty years they were find by toy family connections, in the sent No 17 Well street, county of Dorsel, England, since the year 1795,

Certificate of cure of CHOLICS, FITS, &c. &c. From a BOSTONIAN, whose address is at the foot. THUE COPF.L _

To Dr. Benj. Brundreth: Alv dear Sie. Lwrite & few lines to inform you that I have been making use of your Vegetable. Universal Pills. I have been afflicted with a complaint supposed to be eaused by PAINT. I was subject to a great coldness through my whole system attended with frequent pill and severe their its; for the year, I have also been subject to fits, which would seize me in the night, and when I have come to myself, I have been as weak as a child. I am ready to state the facts more particularly, and how the medicine acted upon me, at my residence. No. 17 Sudbury street, to any one who wishes to

I feel the medicine has been of very great service and that the disparce under which I labored have been by it ENTIRELY REMOVED, for which I shall ever feet grant with Providence and to your Believe me to remain.

Very respectfully, Boston 17 Budkery steet BMI : II & FENNO, Bucksellers, 14. West Market Square, Bunger, are br. Brandreth's aut orized Agants for this section of the State.
